

Skyward Parent Access

Skyward Parent Access will be available during the 2012-2013 school year.

Skyward Parent Access allows parents to view their student's attendance records, food service and fee management accounts.

If you had children attend our district the previous year, you were issued a user name and password. Parents keep the same user name and password during your student's entire career at District 108.

Returning Students

If you do not have your user name and password from the previous year, you can:

- Have the user name and password emailed to you. Go to www.pekin.net/pekin108. Click on Parents. Scroll to the middle of the page and click on the Parent Access link. On the Parent Access login screen, click on the "Forgot your login or password?" link. Enter in your email address and click Submit. You should receive an email containing your user name and password.
- Contact your child's school office to request a letter. You will need to pick up the letter in the school office. Upon arrival, you must show a valid photo ID and sign for the letter.

New to the District Students

Please contact your child's school office to request a user name and password. The school office will generate a letter containing your user name and password. You will need to pick up the letter in the school office. Upon arrival, you must show a valid photo ID and sign for the letter.

Please note that for security purposes, user names and passwords will not be given out over the phone, sent by mail, faxed or emailed unless you requested an email via the "Forgot your login or password?" link.
